Dear Friend,

Each day the State of California receives thousands of dollars worth of unclaimed money and property from dormant accounts owned by people just like you. Do you know how to claim your forgotten property?

To find your unclaimed property, visit **[www.controller.ca.gov](http://www.controller.ca.gov)** and search the **Unclaimed Property Database** for money that the state may owe you. This brochure provides more information on how the Unclaimed Property program works and how you can make a claim.

For more information, please contact my office at (209) 333-5330 or visit my website at [www.asm.ca.gov/huber](http://www.asm.ca.gov/huber).

Sincerely,

Alyson L. Huber

## CALIFORNIA'S UNCLAIMED PROPERTY **PROGRAM**

California's Unclaimed Property Law requires "holders" such as corporations, business associations, financial institutions, and insurance companies to annually report and deliver property to the State Controller's Office after there has been no customer contact for three years. Often the owner forgets that the account exists, or moves and does not leave a forwarding address or the forwarding order expires. In some cases, the owner dies and the heirs have no knowledge of the property.
